Howard. I think Glenn is coming in early that am and Lek the night before. Don't know abt the Ada folks. You might want to check. I can do 10 but probably not earlier.

Howard. This seems good. Could we start at 2? Should we start our own meeting earlier?

I can make a Tuesday afternoon meeting work. What timeframe works? Should we start at 1pm and get as far as we can through the afternoon?

Yes. One option is a meeting on Tuesday afternoon in Denver since I will be there. That should give us a good 3 hours or so, which hopefully would be enough. Any reactions?

Bob,

My apologies as I may be the weak link for Wednesday, as I'm out of the office all day. If you'd like to fly back on Thursday, perhaps we could get started early am on Thursday so you might get out late afternoon. Additionally, we might even consider having a conference call on Tuesday sometime.

We are working on a few message points ourselves, which we'll bring to the meeting with hopes of moving forward quickly. I will also be circulating our revisions to the investigation document this evening.

Thanks,
Lem

Jerimiah --- as you know, we have tentatively scheduled a Thursday meeting in Denver. I am scheduled to be in Denver on Tuesday. Would it be possible to have our meeting on Wednesday so I could fly back that night? I feel I need to be present in person for this meeting. I could stay over on Wednesday for a Thursday morning meeting but this would be inconvenient given our Friday furlough and the long weekend, so Wednesday would be a better bet. Is that workable for you and EnCana?

All-

It appears that establishing a meeting for tomorrow is near impossible. I do not want to sit. I would like to contact Encana at 8:30 a.m. tomorrow morning. I would like to contact EPA at 11:00 a.m. (Mountain). If this is acceptable for each of you I will get a call in number set. In advance of tomorrow please evaluate your schedules for a meeting next week either in Denver (preferably) or Washington D.C. To bring this to conclusion in the time we have available before the end of the month I believe we need to hammer things out, even if that means a solid day meeting. We can discuss my thoughts and yours tomorrow.

A meeting this afternoon does not appear to work for everyone.
Would each of you please send me your availability (times) for a

discussion tomorrow? It is critical that we meet this week. I propose the following discussion topics:

- Deliberative document (investigation)

- Other elements

- Timeline (next meeting) - I believe an in-person meeting, much longer than our meeting last week, is necessary.

Thanks.
